A photograph of Verdugo Hills High School seen through a chain-link fence. The school is a long, single-story building with a flat roof. On the left, there is a large arched entrance. Further along the building, there are several windows, some of which have metal bars. The foreground is a dirt area with some sparse vegetation and a yellow caution tape or barrier on the right side. The chain-link fence is in the foreground, creating a grid pattern over the entire image.

# A Friend Is • • • • •

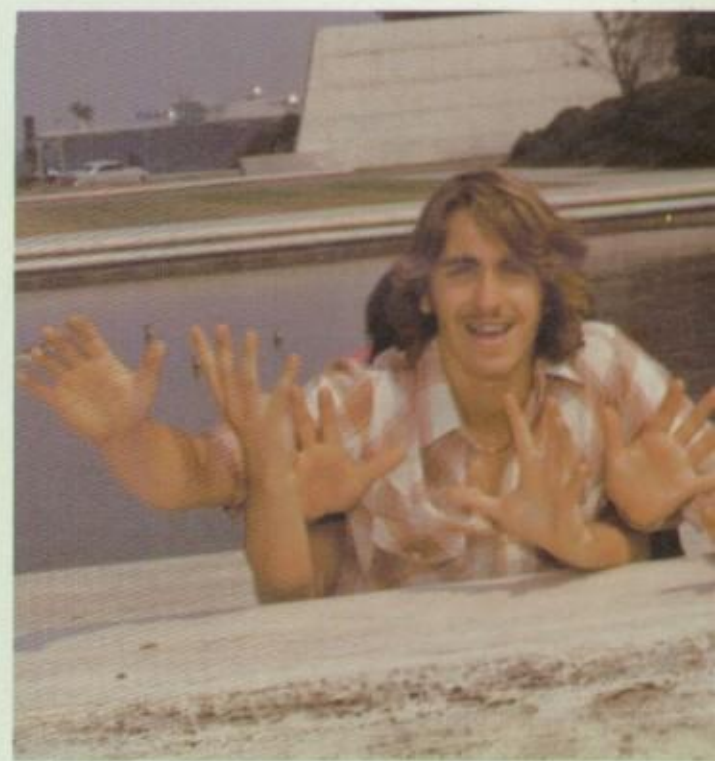

*A friend is a person of great understanding  
Who shares all our hopes and our schemes;  
A companion who listens with infinite patience  
To all of our hopes and our dreams.*

*A true friend can make all our cares melt away  
With the touch of a hand or a smile;  
And with calm reassurance make everything brighter,  
Make life always seem more worthwhile.*

*A friend shares so many bright moments of laughter,  
At even the tiniest things;  
What memorable hours of lighthearted gladness,  
What pleasure the sharing can bring!*

*A friend is a cherished  
and precious possession  
Who knows all  
our hopes and our fears,  
Someone to treasure  
deep down in our hearts  
With a closeness  
that grows through the years.*

Walk Toward The Sun And

Shadows Will Fall Behind

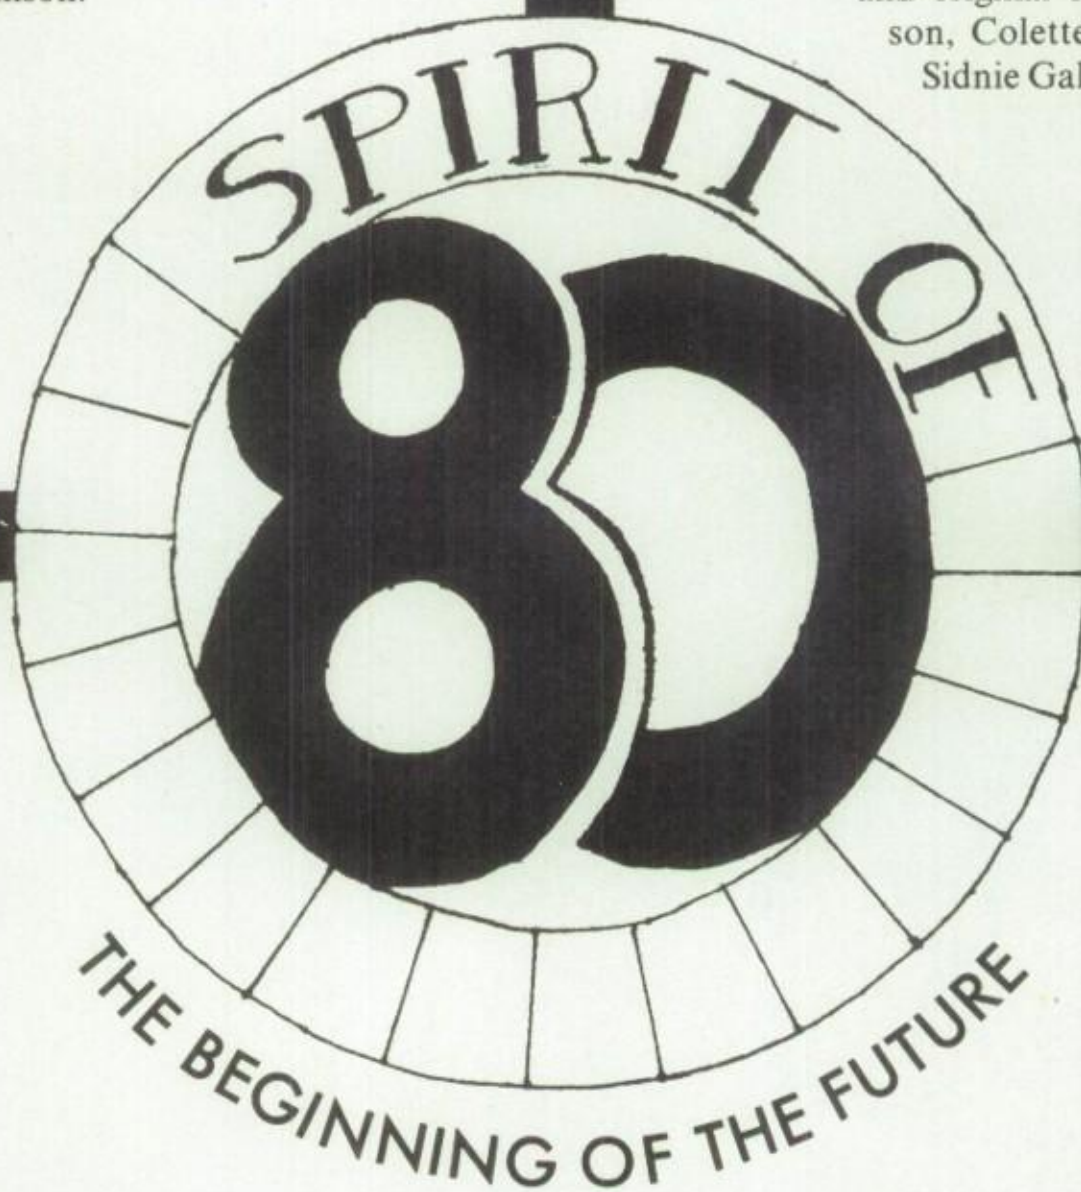

### In The Beginning

In 1977 the sophomore class of 1980 came to be. Because they were new to the school, this class had no officers, but in the spring semester of 1978 with sponsor Stephen Ayers, the new officers were: Misty Morningstar, President; Linda Palumbo, Vice-President; Kelley McClure, Secretary; Sue Sampley, Historian; and Brenda Franks, Treasurer. Important decisions were made at the class meetings held every Wednesday in room 202. Burgundy and cream were chosen as the class of '80 colors. Our class motto is, "Walk toward the sun and shadows will fall behind." With Prometheans as the class name, which means daring, creative, and original. Sophomore events included: Color Day (Wednesday) and their first fundraiser, Balloon-a-grams (won by Debbie Cech). The class rings were so ordered, and the class emblem was designed by Tracey Swanson.

### The Middle Of The Road

The class officers, President — Robin Wilson; Vice President — Tevis Smis; Secretary — Terri Bick; Treasurer — Heidi Michelsen and Historian — Colette Cook, led the way in the following Junior Class fundraisers: Shakey's Night, Car Wash, Easter Flower Sale, Candy Cane Sale, M&M guessing contest, (won by Tracey Swanson) and an aluminum can drive. Other events were Sunglass Day and Hat Day, and a Yell and Cheerleader Assembly, where the senior class cheerleaders were chosen along with senior year officers. Funds were used toward the prom and a class gift. Two junior couples were sponsored in the Dance Marathon (Chris Diamond with Shelly Combs, and Clifford Obregon with Robin Wilson) Prom Committee, led by Chairperson Leslie Draper, chose the prom site (Beverly Hilton) Class T-shirt design and original banner (made by Tracey Swanson, Colette Cook, Stephanie Schulz and Sidnie Gallien).

In 1979, Class officers, President — Diane Clark; Vice-President — Robin Wilson; Secretary — Jackie Louth; Treasurer — Hiroshi Fujii; Historian — Colette Cook, and SCAC Director — Janey Clewley, led the spirited Class of '80 along with the Senior Class Cheerleaders and Yell-Leaders Sidnie Gallien (Head Cheerleader), Tracey Swanson, Debbie Cech, Cheryl Rhyne, Stephanie DeOgny, Carrie Palmer (Head Yell-Leader), John Barnes, Kathy Keegan, and Chris Diamond.

Senior Class activities included: Color Days (Wednesday), Senior Panorama Picture, Ice Cream Bashes, Special College Meetings, Chalk-ins, Class Assemblies, Senior Showcase, Publicity, Senior Lunch, Dress-up days as cowboys and gangsters, Senior Wills, Senior Hall of Fame, Shakey's Nights, Prom Fashion Show, Senior Prom, Senior Olympics (Winter and Summer), Senior Breakfast, Senior Awards, Graduation and Grad Night (June 12, 1980).

This year the 1980 Cheerleaders and Yell Leaders have had a tough but fun time promoting class spirit. We knew at the start of the year that we had our work cut out for us. Proudly displaying our class colors of Burgundy and Cream (which just happen to be this years' most popular color), we did our utmost to help the Class of 80 be the best ever. The activities of the Senior Class Cheerleaders and Yell Leaders have ranged from participating in the Senior Olympics to helping in our many Ice Cream Bashes. Throughout the year we have had a terrific time and are happy to have been a part of the Promethians.

They helped at last year's graduation, circulated report cards, gave a Halloween Party at the Hathaway House, went Christmas caroling, helped sell programs at the Verdugo football games and helped bag sand during rains.

They also worked at the premieres of "The Rose" and "1941", thanks to Mr. Robert Bennett, the Knights sponsor.

In order to be accepted, each girl had to turn in an application and be voted on by the faculty and the club's present members.

Fall officers were Anna Kufeldt, President; Sidnie Gallien, V.P.; Tracey Swanson, Secretary; Jackie Louth, Treasurer; Stephanie Shultz, Historian; and Linda Palumbo, Sgt. at Arms. Sponsor for the fall semester was Mrs. Fujikawa.

This dynamic group of young men, under the sponsorship of Mr. Robert Bennett, have served the school throughout the year. Away from school the Knights have served at the world premiers of "The Rose" and "1941," while also helping the Ladies stage a Halloween party for the residents of the Hatha-way House.

To be accepted for the Knights, one must show proven academic ability and be approved by selected faculty as well as the reigning Knights.

Presiding over the spring semester the officers are Mark Ban, President; Danny Garon, V.P.; Ray Skelly, Treasurer; Brett Lybrook, Secretary; and Mike Longwith, Sgt. at Arms.

## Fall Cabinet

Student Cabinet under the supervision of Mr. James Lambert and President Robin Wilson had a fantastic year with many activities. They started for the first time in Verdugo's history a Homecoming King and a Homecoming Parade. The parade included many of the school's clubs, teams, and boosters. It went down Commerce, Summitrose, and finally ended at school where it marched around the track.

Fall cabinet had many other fun activities like an ice cream eating contest, a caterpillar race and many other fun events. Cabinet also handled the marquee, the posters, and the showcases in the main hall.

## Marching Band

The 1979 Verdugo Hills High School Marching Band led by Drum Major, Brett Lybrook, Assistant Drum Major Lauren DuBois, and Majorette Elaine Elmayan was one of the best bands in Verdugo's History. The band entered the LAUSD competition and came in 6th place out of 13 bands. The band also marched in the first annual Homecoming Parade, and many extra benefits such as Sunland Park and a Verdugo Hills class reunion at the Castaway Restaurant. They practiced many hard hours to prepare for each halftime show every Friday night. The band was asked to arrive at school at 7 a.m. every day for the first semester. The band was under the directorship of Mr. Stephen Ayers.

Ville Perho  
Finland, YFU, explaining the drudgery of Finnish cross-country skiing.

Hi! I am Danny, one of your German exchange students. I have been in this school since September, 1979, and enjoy being in California very much. It's nice to be an exchange student, but it is hard too because everything is so different from my home town, Minden (population 80,000) in Germany. Some differences are in the Californian laws, like drinking and smoking ages. In Germany both can be done at the age of

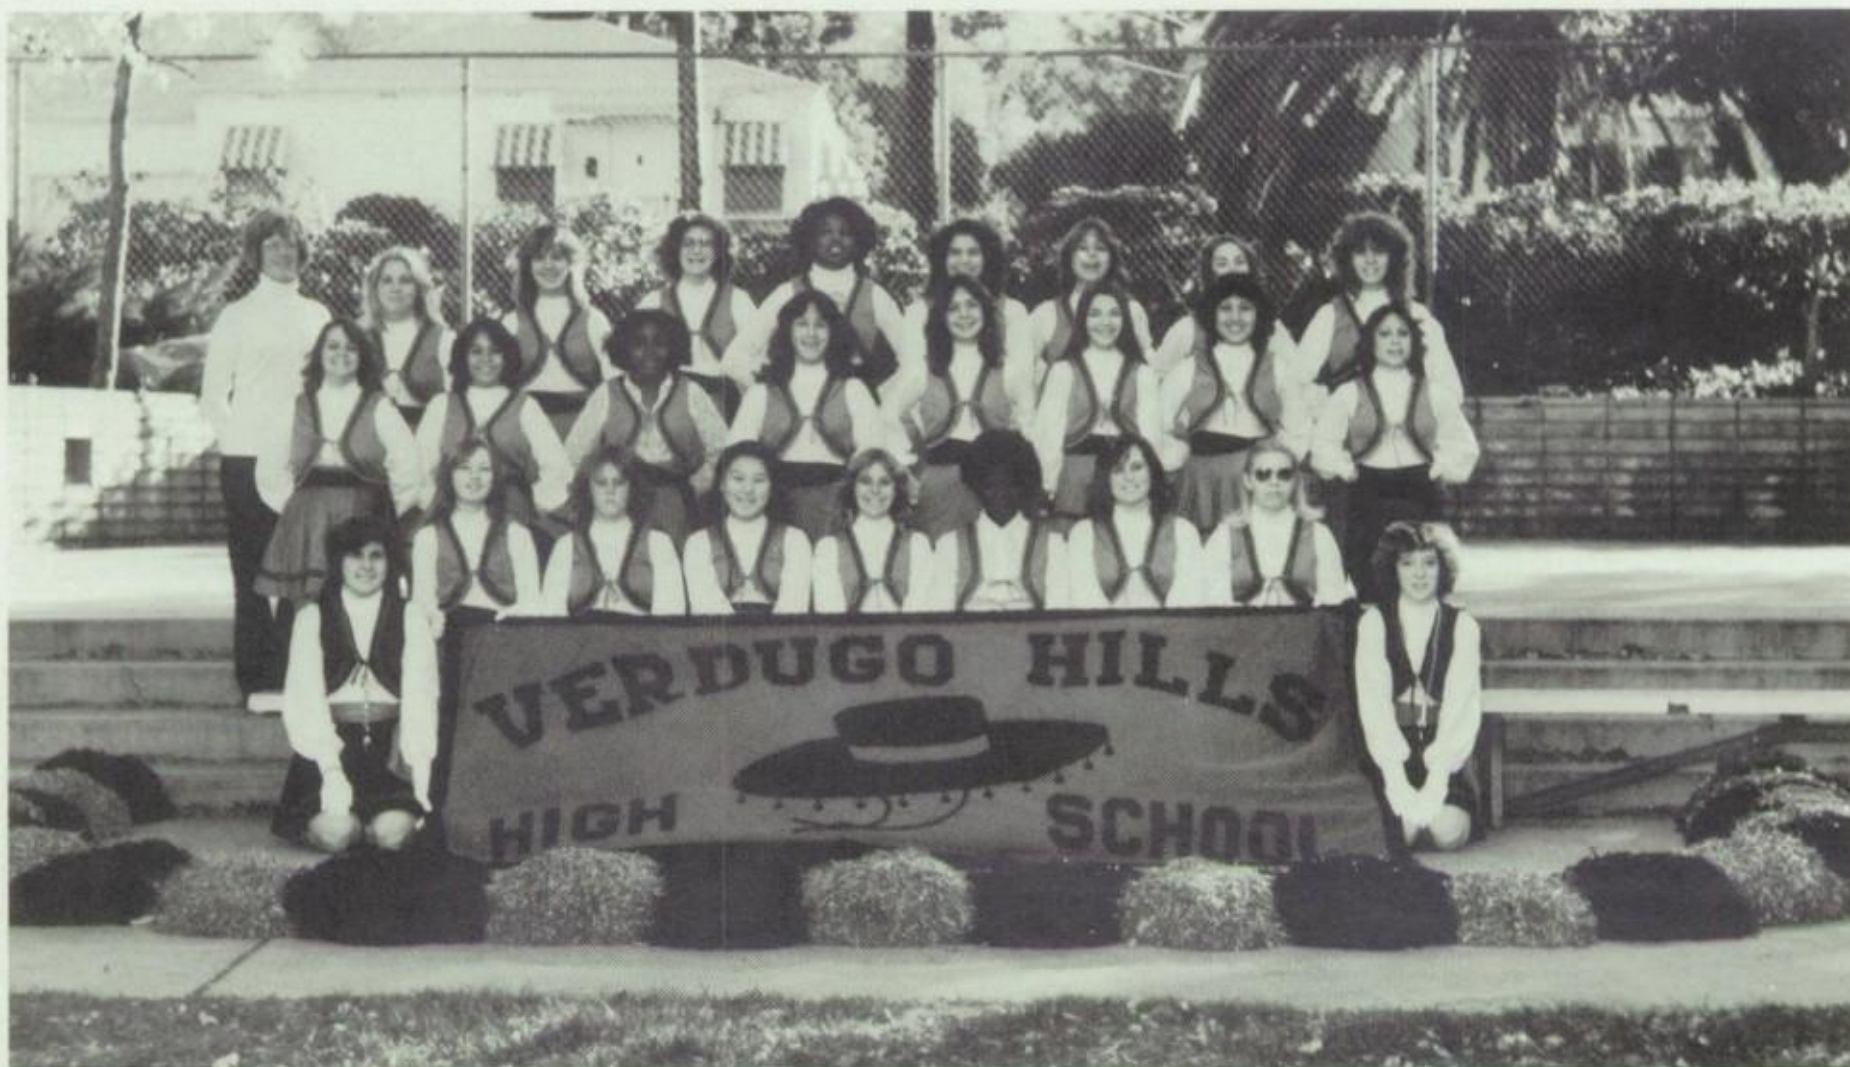

16. Another difference is the driving age in America being 16 instead of 18 as in Germany. Your speed limit is 55 even on the freeways. In Germany, we call the freeways the "Autobahn" and everybody can drive as fast as he wants to, except trucks (55 mph). The school system is the difference I don't like at all. In Germany one goes to school from 8 a.m. to 1 p.m. and does some homework afterwards. We don't have to write that much; the largest assignments are about five pages and one must have a lot of bad luck to get such an assignment. Here, I write more, especially in U.S. History and Contemporary Comp. After all, school over here is hard but what makes it more enjoyable is the Californian weather. The Beach Boys still sing their song of the "Beautiful Day in L.A." on many radio stations and they are right. I like sunny weather and hate snow because I am so used to it. Germany's summers are nice, but the rest of the year everyone is waiting for the Summer because we have such a lot of rain and snow over there. Thank you California!

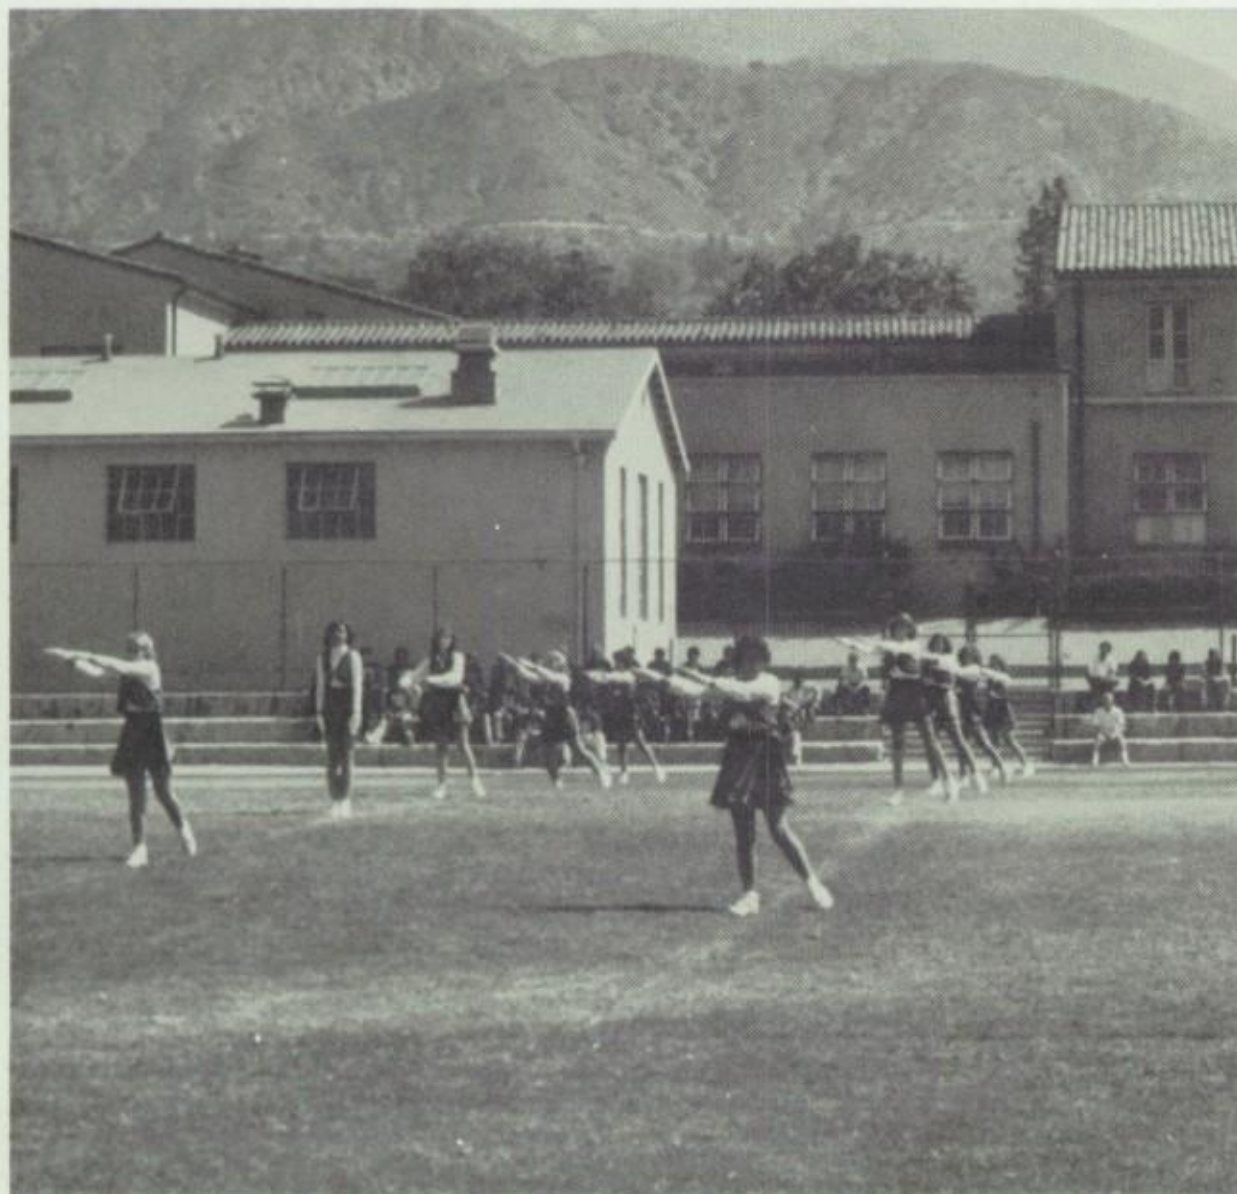

My name is Ville P. I'm from a little country called Finland. The population in Finland is 4,757,000. We have frontiers with Sweden 1,160 miles, with Norway 1,190 miles, with the U.S. 800 miles for a total of 3,150 miles. The total area of Finland is 337,000 square kilometers which is a little bigger than the size of California. In this small area we have 60,000 lakes and thousands of forests.

We don't have any deserts or many mountains. Our school is much harder than schools in the U.S. I used to have classes which were all scheduled in a period of two weeks. Some classes are more important than others. For example, we had math nine days out of ten, but health only three days out of ten. We are at school from five to seven hours a day, five days a week. We can drive a car when we turn 18 years old. I came to the United States to learn to speak English, to learn about a new culture, different ways of living, and to see people from many different cultures. I came here through Youth For Understanding (YFU), an organization that sends students from all over the world to all over the world. I have enjoyed my stay.

## Drill Team

The 1979 Drill Team under the leadership of Kathy Zagorianos, Captain, Leslie Wilson, Routine Coordinator, Karen Daniels, Business Coordinator, and Mrs. Ruth Knapp, Sponsor had a super year. They marched at every game (whether it was raining or not), at the homecoming parade, and they also marched in the Los Angeles Unified School District Band and Drill Team competition in which they took 6th place out of 13 schools and came only about 19 points away from going to the finals.

The highlight of the year was their banquet held at Sterlings Restaurant on Jan. 18, where the girls found out who their new officers for the 1980 season were. They are Valerie Wagner, Captain, Joann Garcia 1st Lieutenant, Lori Spilka, 2nd Lieutenant, Leanne Kampshoer, Routine Coordinator, and Debbie Lacey, Business Coordinator.

Zdravstvuitje. Russian Club is an esoteric organization formed to rid Americans of Russian cultural and linguistic ignorance. Its membership is comparatively small in number, to the ruck in French Club, but good things come in small packages. Headed by the Tsar, Jeff "Vladislav" Encinas, and Tsarina, Julie "Anna" Carder, the club intends to bring an end to the cold war. Khorosho, do svidaniya.

## Ski Club

While the Ski Club has not been too active this year, its active members have been planning many ski trips under the direction of Mr. Phil Yanov. Mammoth and Big Bear trips were part of the plans of the club. They sometimes hold fund raising drives to supplement the costs of the trips. All trips were planned by students and the meetings were held weekly. The main function of the club was to improve skiing skills, yet socialize at the same time.

# Hospital Occupations

In the Fall semester existed a class known as Hospital Occupations. Under the direction of Miss Faye Hall the course was designed for students interested in the medical area. Students were given the opportunity to work under actual hospital conditions. The course also entitled the students (in a one year period) to become Certified Patient Care Technicians. Three days each week were spent at Pacoima Memorial Lutheran Hospital. Students were placed in various sections in the hospital where they learned from experience. Miss Hall, a registered nurse, spoke of her experiences as well as teaching the class in various areas such as proper technique, medical terminology, basic nursing and nursing aid.

The 1979-80 journalism staff had a very successful year. Putting out a weekly paper for the first semester was a hard task for everyone involved. Switching to Bi-Weekly was a smart move because of the Ads that were taking up most of the paper.

Dedicated Advisor Mr. Jerry Weiner was a big help throughout the year and we couldn't have put out the paper without him.

La Yuca was a very important part of Verdugo Hills High and served a very large part as the official newspaper of the school.

The fall and spring executive staff worked very hard, staying up all hours of the night, to get out the paper every Friday for the Student Body.

# Girls' Week

This year's Girls' Week was very successful due to the hard work of the Girls' Week Committee and its sponsor, Mrs. Marjorie Rennett. Helping to organize the week were seniors Heidi Michelsen, Sidnie Gallien, Tracey Swanson, Ann Allen, and Robin Wilson, juniors Maureen Lerchenmuller and sophomore Maxine Morishita. All of these girls worked very hard to make Girls' Week a success.

Activities for the week of November 5-9, 1979, were carried out by certain members of the committee. Working on the Girls' Week Forum were Sidnie Gallien and Tracey Swanson. "Take-a-Teacher-to-Lunch" was coordinated by Heidi Michelsen. Girls' Day in the Arts, which consisted of an art show on the Senior Lawn, was set up by Ann Allen. The Girls' Week softball game against the opposite sex was organized by Robin Wilson. Maureen Lerchenmuller and Maxine Morishita publicized the events.

On November 1, 1979, the Girls' Week Committee was invited to the Biltmore Hotel for the Annual Girls' Week Conference. This gave our committee the opportunity to meet girls on committees from high schools throughout the L.A. School District.

The twelve girls chosen for the Girls' Week Showcase were chosen for their outstanding work in their particular category. These girls were chosen by Mrs. Majorie Rennett with the help of the committee and approved by Dr. Kay Smith, the administrator in charge of this event.

What Spirit!!!!

# It Has Been The Best Year Yet!

From the late 1930's through the war years, the Verdugo Hills High football program was a symbol of compassion in an otherwise hostile world.

While army conquered army on several continents and a dozen island waypoints, Verdugo conquered no one.

Ten seasons the Dons went, their record unblemished by a single victory.

This humanitarian tradition was broken in 1949, when the Dons at last yielded to coarser instincts and won three games while losing only two.

But through the 50's, the 60's and most of the 70's, they retained at least a vestige of their former disposition. For on those rare occasions when they were called upon to participate in the playoffs, they never failed to get knocked out in round 1.

Never, that is, until 1979, when they not only won the Metro Valley League championship with a record of 7-1-1, but defeated Eagle Rock 24-19, in the opening round of city 2-A division playoffs.

True, the Dons lost to a swift Jordan team, 21-6, in the second playoff round. But, with an overall record of 8-2-1, they had clearly failed to live down to the standard of futility so painstakingly fashioned by those feckless Verdugo teams of a generation ago.

Not that all those losing seasons were unalloyed calamities. Even the least accomplished team has its moments, and the associations made in high school football are remembered long after most scores are forgotten.

But if winning isn't everything, it's at least more fun than losing. Accordingly, coach Bill Novikoff and his team are entitled to an extended ovation for bringing Verdugo Hills High more than its accustomed ration of fun last fall.

From the looks of the statistics, the Dons must have had about twice as much fun as the people they played. In 11 games, Verdugo averaged 24 points and allowed an average of only 12.

Chris LaFountaine, playing both tailback and linebacker, was plainly the central figure. He was the city's leading scorer with 128 points in the regular season and accounted for more than half the team's overall.

LaFountaine led the Dons in rushing with 211 carries for 1,160 yards, in receiving with 33 catches for 461 yards, in kickoff returns with 7 for 167 yards, in punt returns with 9 for 66 yards and in interceptions with 3.

But LaFountaine was hardly the only Verdugo player to attract notice. He was joined by 3 other Dons — tight end Randy Dempster, guard Hugh Hayes and center Mike Longwith — on the first offensive unit of the **Los Angeles Times** all Glendale-Burbank area team.

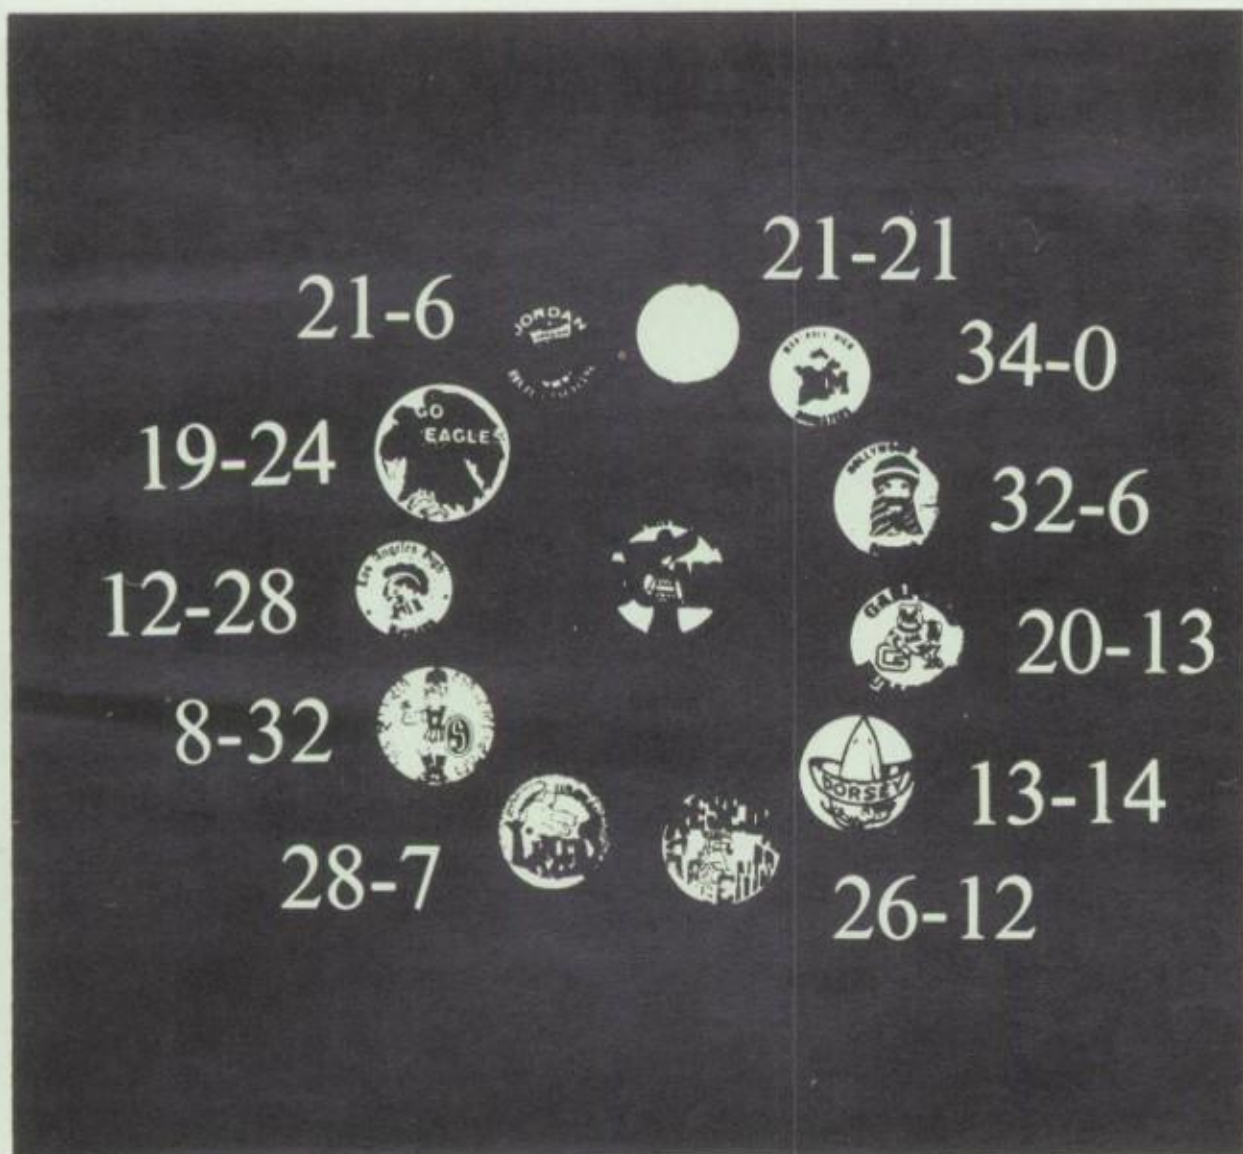

Verdugo linebacker Dave Beckstrom made the first team on defense. Two other Dons, linebacker Jeff Thrift and defensive back Chuck English, made the second team.

The Dons had a remarkably balanced offense, rushing for a net of 1,340 yards and passing for 1,333. Virtually, all the passing was handled by Jon Cira, who completed nearly 60 percent of his attempts and threw for 10 touchdowns.

Novikoff, head coach at Verdugo since 1966, said the 1979 team was characterized not only by ability, but also by intelligence, as shown by its avoidance of mistakes. In the entire regular season, for example, the Dons drew only four offsides penalties.

"By far," Novikoff said, "This is the best overall group I've had."

## J.V. Football

The 1979 J.V. Football team, coached by Greg Gentry, had 7 wins and 2 losses. The outstanding players were Jeff Anesetti, Tony Brodeur, and Carl Butera. Carl passed 350 yards for 6 touchdowns; rushed 50 yards for 3 touchdowns and kicked 12 extra points. Tony received 400 yards for 8 touchdowns and on defense he intercepted 7 passes. Jeff had a great season. He rushed 700 yards for 9 touchdowns.

Due to a great offensive and defensive line up, the J.V.'s have out-scored and held their opponents to a 175 to 37 point status. It has been one of their best seasons in a long time. The J.V.'s really deserve a lot of credit this year, due to their greatly improved record.

## Bee Football

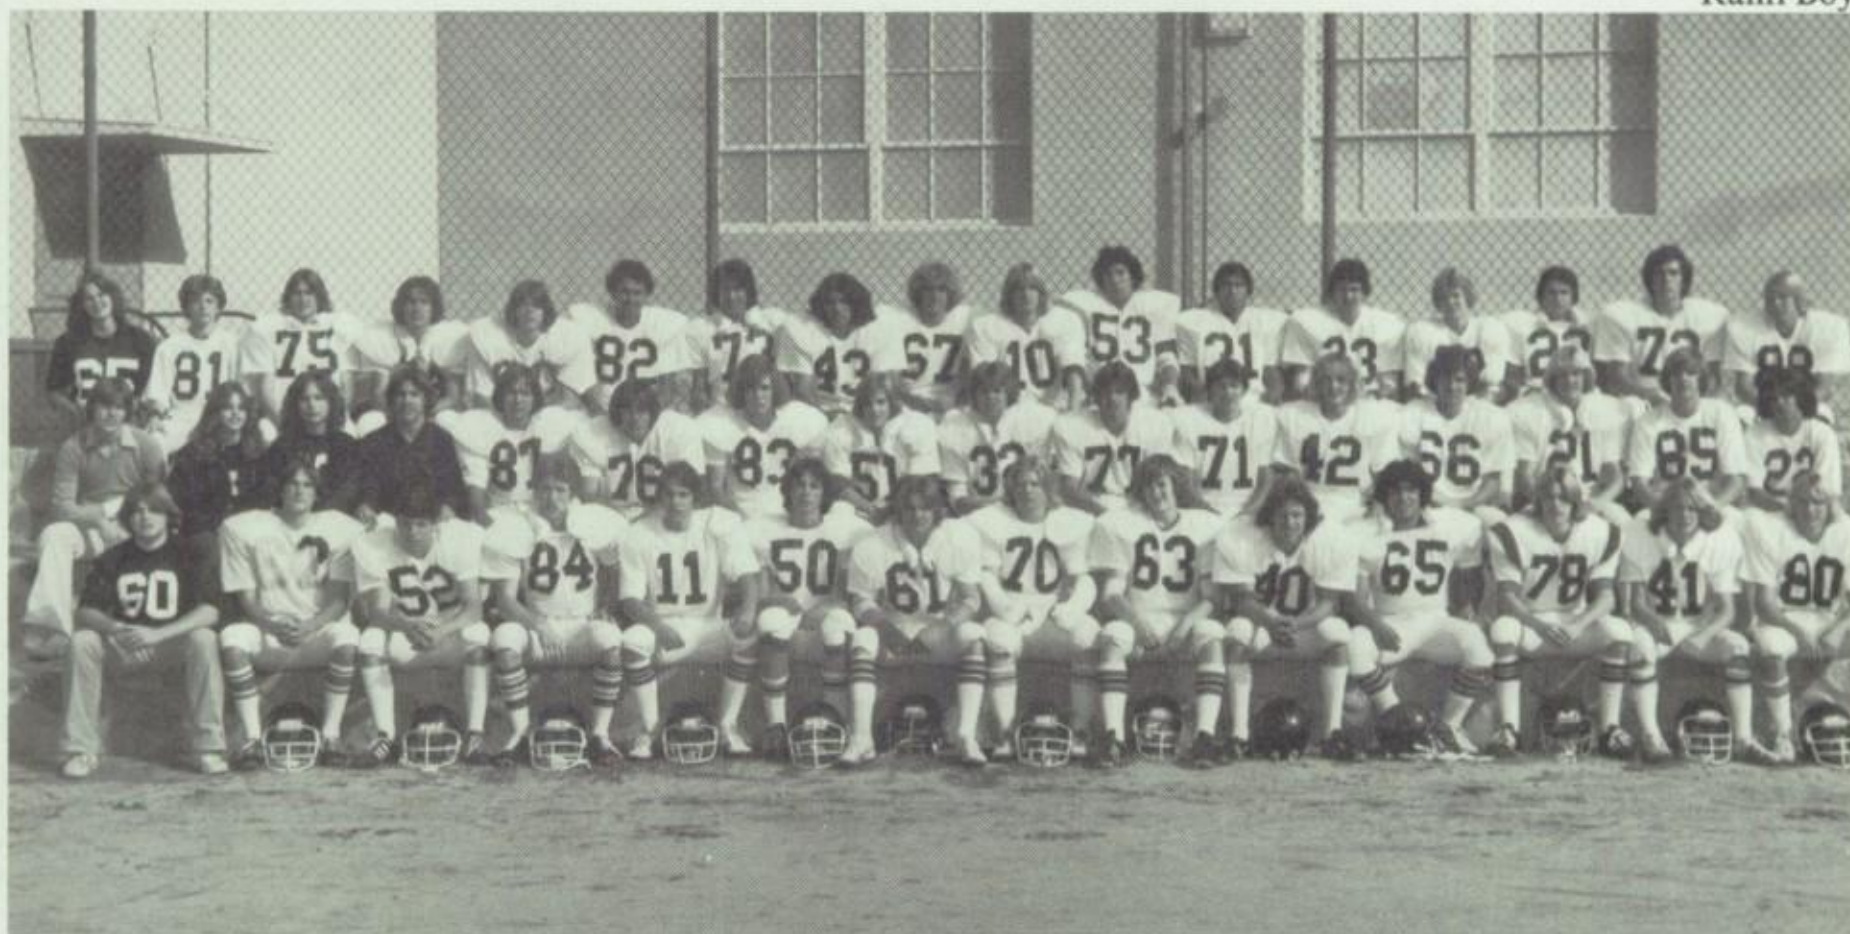

Verdugo's Bee Football had five members on the Metro-Valley all-league team. Among the five, Kirt Seligman had the highest honor.

Seligman made the first team for defensive linebacker, Seligman in his junior year plans to go out for varsity football next year. He was the backbone of the Don's defensive unit and a real team leader.

Seligman was also voted MVP for the Bees by his fellow teammates.

Ramy Boyadjian was another member of the All-league team. Boyadjian made the second team on the offensive.

## Girls' Varsity Basketball

This year Girls' Varsity Basketball had looked forward to a victorious season, only to have that dream shattered by having only one victory against Van Nuys high school. But still, the girls kept pushing. We learned to work together as a team, and in some sense, as a family. We were lucky to have the support of Miss Browski, Mrs. Inai, and the "C" Cheerleaders, as they helped us to keep our pep and courage to keep on trying, on behalf of the season. The returning players, Shawn Linnert, Janette Mackie, and Diane Mendoza, along with others, Stacey Lim and Christy Schubert, seemed to be the backbone of the varsity team. Together with the rest of us, the strength to hold out through the entire season showed the desire to strive instead of quit. I am proud to have been part of that great Girls' Varsity Basketball Team.

## Girls' J.V. Basketball

This year the Girls' J.V. basketball team played an exciting season. The eleven players were: Kathy Butterworth, Julie Hurd, Kirsta Harrop, Sheryl Houlihan, Kathleen Rivera, Gilda Hoeh, Lisa Robinson and Debbie Caselman. They put out a tremendous effort as Coach Browksi cheered them on. Ten games were played and the Donettes finished out the season 3rd in the league.

The girls on the J.V. team gained a lot of experience and in the meantime made new friends. Next year we hope to increase the number of participants. The spirit that this team had is bound to help them out in the next few years, hopefully playing on the Verdugo Hills Varsity team.

Keep the spirit up and thanks to Miss Browksi with very special thanks to the cheerleaders that came to our games. We know it was rough.

Although our varsity team didn't win many games, we had a spirited season. Many people stood out during our games, including Tim Shirley who always played a fine game. Randy Dempster and Jeff Conover always came through in the clutch. Chris LaFountaine was never out of the top scorers. The team had great comradery with Gary Moreno and Farid Calvo always providing laughs.

Center, Tim Shirley, voted on by teammates was honored with the title of "Most Valuable Player" because of his high scoring. The distinction of being "Most Inspirational" was awarded to Farid Calvo for keeping team spirits high. "Coaches Award" was presented to Jeff Conover, starting guard for the Varsity Team.

The Girls' Varsity Volleyball Team has had a successful season with a winning score of 7-3. The Varsity Volleyball team is coming along just great, and hope to have a league championship to bring home next year. The team has great ability to get along as a star team. We thank our coach Miss Browski for guiding us in the right direction. We also thank Mrs. Inai for her dedication as our Athletic Director. We hope to see you next year. Thanks for your dedication Mike.

## J.V. Volleyball

We've all heard the saying, "It's not whether you win or lose . . ." Well, unfortunately this wise philosophy is especially true for last seasons girls' JV Volleyball team. It seems we won so many games but lost so many matches. But in spite of the discouraging record, the team's spirit remained high, and we really had a great time. I know the many long, hard, hours of practice every day have not gone to waste because many players show promise for next season.

## Varsity Cross Crountry

The Varsity Cross Country Team has accomplished a great deal for the 1979 season. They took third place in the East Valley League finals held at Pierce College. This is the first time Coach Fred Koegler ever had a varsity team place in the finals. Dave Leach, the team's leading runner placed fifth in finals and set a new school record which was previously held by David Simpson with a 16:24. Leach replaced it with a 16:07. Other members of the team who shared the glory are Johnny Hannah placing 14th with a best time of 16:55, Dave Smith (15th) 17:04, Kinneth Stewart (20th) 17:25, Bill Brenner (21st) 17:26, Joaquin Sanchez (23rd) 17:30, and Danny Vasquez finishing off (31st) 17:25. There were 60 runners competing in the East Valley League. At the end of the season, each runner received his best times.

## J.V. Cross Country

For the second straight year, the J.V.'s shared the championship with Poly. Both teams were 6-0, and when meeting head to head, they did what seemed impossible by tying 28-28.

The Verdugo team was lead by Jon Gjerset, who in only his first year of competitive running broke the school record and went all the way to city finals.

Also showing consistent talent were Dermott Downs, Chris Pickens, John Barnes, Ward Albin, Karl Rumberg, Bob Fredrickson, and Albert O'Lea.

## 10th Cross Country

The Verdugo Hills Tenth Grade Cross Country team ended the season with a 3-4 record this year. The team won its first race against Franklin, but lost the next three. The 10th Graders then came back to win the following races against Poly and North Hollywood. The win against Poly was the first against them since coach Fred Koegler came to Verdugo.

In the league finals, the team placed 6th overall with many of our runners significantly improving their times.

## Girls' Cross Country

Verdugo Hills Girls' Cross Country Team exhibited great talent at the feared Pierce College cross country course. One of the best things about cross country is that it is a sport that can be practiced anywhere. There is no need for special facilities like courts, pools and tracks. The meager amount of equipment one does need consists only of loose clothing and a good pair of running shoes.

There are many benefits derived from being on the team. They range from the thrill of wearing a uniform to mingling with the Boys' Cross Country team. The attitude of the individual decides if she can run or not, excluding extreme physical handicaps. Almost any girl can run if it is her decision. Will power determines how well one can do something. While our runners vary in size and personality, it was their determination to reach their present rank on the team.

Practice sessions occur Mondays and Fridays with a long run of 8 to 10 miles. Sunland Tujunga is one of the best places for running. Without too many people and traffic, plus the added beautiful scenery, the area is ideal for running. On Wednesday, meets are held at Pierce College. Weekend workouts are left up to the individual.

Girls' Cross Country Team is a winner with Coach Koegler. The team won the final and went on to the Semi city finals and succeeded to the L.A. City Section CIF Final however, didn't make it any farther.

Verdugo's Girls' Tennis Team of 1979 started out as a beginning team this season but won more individual matches this year than what I've seen being on the team my three years in high school. Mr. Tanas, our coach, has been very instructive. He has helped every player individually and has helped the team as a whole. Thank-you Mr. Tanas and thank-you Booster Club for your support. We all tried our best. We all deserve a lot of credit for participating and giving our time and effort to the team.

The 1979-1980 Varsity Baseball Team under Coach Frank Ornelas has had a very fulfilling season. The team was extremely spirited and competitive, especially after dropping the opener to Grant. The players performed as a team and not as individuals, thus accounting for a very satisfying and enjoyable season. In the sport of baseball, there were many rewards. The main concern was winning, but the dominant one was the accumulation of friendships which endured long after the baseball careers of teammates had dimmed. Perhaps the greatest reward was knowing that it was a team effort and that no one person stole the spotlight. (From me!)

## TAKING IT TO THE LIMIT — “Boyd’s Beauties”

This year’s Varsity Softball team showed promising talent. All the girls were outstanding players as they all had experience behind them. They were all hard workers and dedicated to the team. Not only were these girls close friends on the field, but also they did things together off the field as well. This was, indeed, a very special quality that made working together all seem worthwhile. In addition to the girls’ dedication to the team, it was Coach Boyd who really gave the girls strength and determination to go out and win.

Julie Goff — Manager

## JV Softball

This year's Junior Varsity Softball team consisted of sixteen very active players who were coached by Mr. Wally Windsor. All the players had played before either on a community team, or last year's Verdugo Hills Team. Players were dedicated to two hour practices, during 6th period, and after school. They had a great time.

This year our team was quite different from that of previous years, because it was composed of many potential sophomore players. The team last year was strong comprised mostly of seniors while this year's team was comprised mostly of new players. Rick Gallien, the number one player in the city was not with us and was being replaced by John Gittisarn playing no. 1 singles. Even though this was a tough year, Coach Yanov and the team enjoyed one of promise.

# Bee Track

Verdugo's Bee track team has shown one of the strongest turn-outs ever. Ken Mortensen scored a first place in 70 high hurdles in the first event of the season. Ben Holmes scored four firsts against Franklin. Dave Leach and Dave Smith excelled in the 880 and Jeff Anasetti ran well in the 440. Arlan Jewell, Rick Houser and Karl Rumburg lead the pole vaulters. Doing outstanding work for his first year was Dan Foote at the shot put. Kin Stewart was one of our best high jumpers. We worked well together, had a prosperous season.

# Cee Track

The 1980 "C" Track team had many hopefuls for this season. Working with great spirit the "C" team was known to have leading distance runners Doug Miller and Chris Demke. In the field events, Pole vaulters Mike Downing and Bob Fredrickson brought in the extra points for the team. In the sprints and the hurdles, Tim Reardon, Scott Markham, Chris Demke and Doug Miller won many victories.

The womens' track team of Verdugo Hills High School has been League Champs two years consecutively. Without Coaches Bob Morehouse and Fred Kogler pushing us to the limits, we would not make a winning team or successful season. The team was composed of sprinters, distance runners and field event women. Returning seniors were sprinters Vicki Tarascio, league record holder Stephanie Schulz, exceptional distance runner Jackie Louth, hurdler Karen Kuehne and high jumper Roxy Parker. Many Juniors and incoming sophomores remained faithful to the team and added to the spirit of friendly competition. We strived for individual perfection yet worked together as a team.

## Swim Team

This year's nineteen eighty swim team went under way with astonishing success. With its very strong, experienced varsity, and ever powering junior varsity, and a surprising tenth grade team made it one of the better teams in Verdugo's history.

Under the coaching of Jack Bergan the team left the school every morning at six thirty to practice at the Crescenta La Canada Family Y.M.C.A. They practiced all morning and well into first period. They were usually back by second period. They left every Monday at one o'clock for the meets which usually started around two thirty. Under the strict eagle-eyed watch of the officials, the grueling meets got under way. This year's swim team proved itself worthy of Verdugo. For example juniors Mark Rolph and Chris Diamond did very well in the meets. The team was very close and they worked hard to do their best.

At the beginning of the Fall Semester when we started to sell ads to the community, Mrs. Casella decided we would have a contest to see who would sell the most.

To get us rolling she gave us something to strive for. The top 10 ad sellers would receive a free Yearbook. The only catch was that you had to sell at least \$150.00 dollars worth. Well, everyone tried but only 8 of us made it to the mark.

The top 8 sellers were:

Beth Enari  
Debbie Cech  
Linda Corcoran  
Lori Beene  
Stephanie Schulz  
Pam Goodwin  
Scott Stoll  
Darrin Springer

The first 5 sellers sold more than the one hundred and fifty dollars worth but everyone tried and we sold a total of around \$2175.00.

Once again the El Portal Staff has provided the Verdugo Hill students with most all the memorable events of the 1979-1980 school year. Under the direction of Lynn Casella, Advisor and Lori Beene, Editor.

We spent very few nights and many afternoons working toward the deadline when our pictures showed up the day of the deadline. Our days consisted of yelling, screaming “\*!?\$ing”, eating, hating yet loving and generally having great time!

We would just like to thank everyone on the staff who, stayed after, sold ads, ate donuts, and had a part in putting together the BEST OF THE BETTER yearbooks in Verdugo’s history.

# A Running Dialogue

"Yes, it's only April, but that's when next year's yearbook is started." "What do we do?" "Yearbook classes sample yearbooks decide next year's theme." "A Friend Is The Best Possession." "Great." "Now, color pictures must be taken with kids from all grade levels." "Where?" "How about the Arboretum?" "Yes." "After school Thursday." "Who can drive?" Page 8 and 9, the theme pages, must be turned in by September 1, so the pictures and

Yearbooking takes a big hunk out of one's life; or, why don't I ever get a chance to finish lunch?

layout must be done by the time school is out in June." "Now, what about the Junior class?" "You must get them to vote to have pictures in color for they pay individually to help defray the cost." "Go to a class meeting and get a vote." "What junior in here can be next year's Editor?" "Lori has had a year's experience as Ad Chairman, but doing a whole yearbook is different." "O.K." "Congratulations." "Who wants to go to a yearbook conference

at CSUN in April?" "Great" "I can drive." "Good, ten of you will." "It'll be all day Friday." "I can't be out of my classes and I have a date after school." "Well, then forget yearbooking because it will mean you'll have to stay out of some classes and you'll have to stay after school and sometimes put some time in on Saturdays." "Seniors must make appointments during the summer to have portraits taken so that we make our Oct. 15 color senior deadline." "Get those appointment cards out." "Alphabetize them." "Oct. 15 is it. I don't care if you don't get your braces off until the 14th. Publishers don't wait." "Sell ads. \$2200.00 is our goal." "Great, Beth." "You'll be a great ad chairman." "Take a book. Introduce yourself." "We sell a limited number of permanent ads." "Everything is 10% higher in price than last year." "Yes, we'll do photo ads. Sell, sell, sell." "We make money for the student body — anywhere from \$1500 to \$2000." "See you at MacDonalds at 4 P.M." "WE sold \$400 today." "Terrific." "Eat what you like." "If you sell over \$150, you can get a free yearbook." "Ad deadline for selling is Dec. 1." "Section heads, where are your photo work orders? Photo Production can't work on imagination, though the better photographers do." "Scott and Darrin, I know you'd rather be home asleep, but the pages must be laid out." "So you missed a photo work order on the Christmas Play." "It was a good production." "Away games are hard for photographers to go to." "Just don't miss getting someone to photograph the Homecoming Parade." "O'Connor is coming on Tuesday. That's the only day they have open for the next two weeks." "Where is the photo schedule?" "How are those that need to be photographed going to know where to go if a photoschedule is not published at least two days in advance?" "How about a bulletin notice?" "I forgot." "You can't forget." "So, it's raining. It always RAINS when pictures must be taken outdoors." "Our assembly must revolve around a theme." "I think it should be around the theme of a Movie Trailer with 60 different sections." "Great, Sidnie." "Let's get those 300 to 400 color slides shot." "Publicity is important in selling a yearbook." "Not all the slides will be in the book but the assembly gives an idea what will be in the book." "Our assembly wasn't approved?" "Let's invite Mrs. Lawyer to come preview our show so that we can get an approval." "We're on." "Take it on. Learn to lay out a page. Write copy or get it written." "Use a ruler and a cropper and a ball point pen." "No internal white space. Space on the outside is O.K." "Look a *Life* layouts for ideas." "So the kid was absent on the day ID pictures were taken. We didn't get it." "Lori, yearbook is all consuming and creative." "But I haven't been to one meeting of Ladies because of Drill Team." "Well, you must choose. I need you today. You're Editor." "You're section head. Use your personnel." "This is deadline time. We must turn in 50 pages today. Mr. Hall is coming at 3 P.M." "Get their names. Who is this person? We must find out." "If you want personal ads, you must sell them." "Debbie, the transparencies look great for the assembly." "Thanks for finishing the ad section for Beth." "Cliff, the collages look great. Aren't you tired of doing them?" "Carla, check with the coaches. You and Scott must get it organized." "We need copy." "Anna, write it and type it now." "Linda, Jolene and Debbie, lay out the leadership pages." "Pam and Tami, you must alphabetize the Sophomore section correctly." "Chris and Matt and Dale, what music do you want for the assembly?" "Jean will record it." "Chris, Jeff and Lori — the index is important. Keep alphabetizing." "X does come before Z." "Chris, you took some great candid. Lay out the page." "The chemicals in photo were bad. So mush for that event." "You put the film in wrong. Great. Two more rolls down the tubes." "Melanie, thanks for your work." "Sonja and Mary, get it together. Lay out a page too." "Yearbook Final is March 15 — No, I didn't ask God about the rain." "So the spring teams haven't played a game yet. That's life. You want a yearbook the last week of school, don't you?" "Cancel your life tomorrow. Finish those pages. Feast or famine. It's feast time." "Who will be Editor next year?" "I don't want to think about next year." "Rubber cement, grease pencils, paper clips, quad packs and HELP!"

I would like to dedicate this *El Portal* 1980 to the Class of 1980 and the people I've chosen to represent the class: Kathy Zagorianos, Captain of Drill Team 1979, Brett Lybrook, Drum Major of the 1979 Verdugo Hills Marching Band (both who led the band and drill team into taking a 6th place out of 13 schools in the LAUSD Band and Drill Team Competition), and Mike Longwith, center of the 1979 Championship Varsity Football team and a member of the *L.A. Times* Glendale-Burbank All-City 2nd team. All have a special place in my heart. I leave you with these words by Roy Z. Kemp:

## "A FRIEND IS SPECIAL"

*Your friendship is a treasured part  
Of all the riches in my heart;  
Your friendliness will quiet the fears  
That may rise through the coming years;  
Your friendship sings a golden song  
And keeps my spirits high and strong;  
I shall be grateful all my days  
Because you walked in friendship ways.*

Wow! It's just dawned on me how long we've known each other.

It's been as far back as grade school. It's really a shame to think that I've known you so long and we haven't really gotten to know each other too well. Kelly, I really hope your future brings the fulfillment that you long for. God has brought that fulfillment to me, and my life, I can only hope that you'll truly search for yours. If you would ever desire to talk, don't hesitate. It would be my wish that we could always keep in touch. Yet realistically I know that's pretty far fetched. Pursue happiness that can only come from our Creator.

Because of Jesus Christ,  
Ken Humman

Kelly,

Skiddly do Skiddly do, I hope you have fun at BYU. La dee da dee da I hope you get a job. Enough silly stuff. I'm really proud that you've accomplished so much. I will continue to pray that you find truth in God's word.

Love  
Theresa
